

FAFN CHOOSE LIFE LOGO MEANING

The hands at the centre of the logo represent "helping hands" which can be counsellors, workers, teachers etc. The tree is an individual who is flourishing from the help they are receiving. The roots signify stability.

The 4 coloured circles represent the medicine wheel.

The colour yellow is for suicide prevention, and the green ring and tree signifies nature and land.

The four curved lines along the border each have a circle above them to symbolize four people holding hands. It is meant to signify union and family.
